**ACTION:** Proposed information collection; comment request.

**SUMMARY:** The FTC invites comments on a proposed telephone survey before submitting a request for OMB review under the Paperwork Reduction Act.

**DATES:** Comments on the proposed survey must be submitted on or before July 6, 1998.

**ADDRESSES:** Written comments should be addressed to Elaine W. Crockett,

Attorney, Office of the General Counsel, Room 598, 6th Street & Pennsylvania Avenue, NW., Washington, DC 20850. Telephone: (202) 326-2453. E-mail: ECrockett@FTC.gov.

**FOR FURTHER INFORMATION CONTACT:** Signe-Mary McKernan, Economist, Federal Trade Commission, 6th Street and Pennsylvania Avenue, NW., Washington, DC 20580. Telephone: (202) 326-3480. E-mail: SMcKernan@FTC.gov.

**SUPPLEMENTARY INFORMATION:** The FTC seeks comments concerning a proposed telephone survey of consumers in order to: (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the FTC, including whether the information will have practical utility; (2) Evaluate the accuracy of the FTC's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) Enhance the quality, utility, and clarity of the information to be collected; and (4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

*Title:* Survey of Rent-to-Own Customers.

*Type of review:* New.

*Frequency:* Once.

*Affected public:* Consumers.

**Response Hour Burden:**

*Pre-test questionnaire:* approximately 10 minutes  $\times$  50 people=8 hours.

*Screening question:* One initial question within a survey of 20,000 people (other topics are also submitted from third party entities). Approximately 30 seconds  $\times$  20,000 people=167 hours.

**Questionnaire response:**

Approximately 300-500 consumers  $\times$  10 minutes=83 hours.

*Total burden hours:* Approximately 260.

**Abstract:** The FTC proposes to survey rent-to-own customers in order to evaluate their experiences with rent-to-own transactions. This information will be used to assess reported consumer protection concerns and in consideration of possible future Commission actions. All information will be collected on a voluntary basis and the identities of respondents will remain confidential.

If OMB approves, the FTC will contract with a survey firm to identify

300 to 500 rent-to-own consumers and to briefly obtain information about their experience with the rent-to-own industry. Survey respondents will be identified through screening questions included in a preexisting random digit dialing survey of a nationally representative sample of approximately 1,000 individuals. The screening survey will include routine demographic questions as well as specific questions contracted by other firms and organizations. Given the low (roughly 2%) incidence rate of rent-to-own customers within the general population, the FTC estimates that approximately 20,000 people will be screened in order to obtain a sample of 300 to 500 customers.

The survey questionnaire will be pretested on approximately 50 respondents to ensure that all questions are easily understood. The pretest will take approximately 10 minutes apiece, for a total of 8 hours. The final survey will involve 300-500 respondents, again for approximately 10 minutes apiece, for a total of 83 hours.

By direction of the Commission.

**"Year 2000" Consumer Issues; Request for Comment**

**AGENCY:** Federal Trade Commission.

**ACTION:** Request for public comments.

**SUMMARY:** The Federal Trade Commission ("Commission") seeks comment on the various types of "Year 2000" problems that consumers are likely to face. The term "Year 2000 problems" (hereinafter "Y2K problems") as used in this **Federal Register** Notice (hereinafter "Notice") refers to problems caused by the inability of software and/or electronic products, including personal computers (hereinafter "PCs") and other computer systems, to process, store, display, or otherwise utilize dates correctly beginning in the year 2000. This inability usually stems from a failure to distinguish between the year 2000 (and subsequent years) and the year 1900 (and subsequent years). Additionally, it might include an inability to recognize the year 2000 as a leap year.

Specifically, the Commission seeks comment on what types of consumer software and electronic products are likely to experience Y2K problems, as well as what steps have been taken or

will be taken by software publishers, electronics manufacturers, and others to notify consumers of any anticipated Y2K problems and to remedy any such problems. The Commission also seeks comment on potential Y2K problems likely facing various segments of the consumer financial services industry, such as finance entities, consumer reporting agencies (some of which are commonly referred to as credit bureaus), and other businesses involved in consumer financial services. Lastly, the Commission seeks comment regarding interest in participating in or attending one or more workshops to discuss the issues raised in this Notice.

**DATES:** Comments must be submitted on or before June 22, 1998.

**ADDRESSES:** Written comments should be submitted to: Secretary, Federal Trade Commission, Room H-159, Sixth Street and Pennsylvania Ave., NW., Washington, D.C. 20580. The Commission requests that the original comment be filed with five copies, if feasible. The Commission also requests, if possible, that the comment be submitted in electronic form on a computer disk. (Programs based on DOS or Windows are preferred. Files from other operating systems should be submitted in ASCII text format.) The disk label should identify the commenter's name and the name and version of the word processing program used to create the comment. Alternatively, the Commission will accept comments submitted to the following e-mail address <y2k@ftc.gov>. All submissions should be captioned: "Year 2000 Consumer Issues—Comment, FTC File No. P984238."
