1 Tables SF-1 and SF-2 show the receipts and disbursements by the State for highways. See Table SF-21 for general notes on SF series.  
 2 Any differences between beginning balances and the closing balances on last year's Table SF-2 are the result of accounting adjustments, inclusion of funds not previously reported, etc.  
 3 Amounts shown represent only those highway-user revenues that were expended on State or local roads. See Table SDF for the full amount of and disposition of highway-user revenues including tolls.  
 4 Amounts shown represent gross general fund appropriations for highways reduced by the amount of highway-user revenues placed in the State General Fund. See the "Offset by General Funds Spent for Highways" column on Table DF.  
 5 1994 State highway finance data not reported for Hawaii. Estimated by FHWA.
