The length of roads includes approaches and connecting links which were financed as an integral part of the toll project. The length of toll roads includes sections which may be used toll free by local residents. The length of such sections is identified in the "non-toll" column.
 Excludes toll transactions that require stopping (i.e., cash, ticket, or token payment).

3/ Rural/urban split estimated by FHWA.

4/ Facilities added by the FHWA Office of Operations; not submitted/updated by the States.
