

U.S. Department  
of Transportation  
**Federal Aviation  
Administration**

Office of Airport Safety and  
Standards

800 Independence Avenue, SW  
Washington, DC 20591

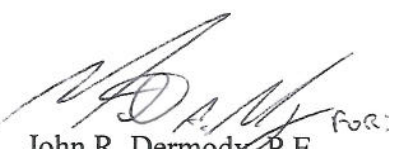

AUG 21 2012

Dear Industry Representative:

The Federal Aviation Administration (FAA) posted the Draft Change 19 to Advisory Circular (AC) 150/5300-13, Airport Design, for your review. Please submit and provide justification to all comments to change 19 and any suggested modifications.

Please use the *Comments Matrix Template- Change 19* to submit your comments. The Matrix Template, Change 19 document including accident data and a report on Development of Criteria for Parachute Landing Areas on Airports, are available on the FAA public web site link:  
[http://www.faa.gov/airports/resources/advisory\\_circulars/](http://www.faa.gov/airports/resources/advisory_circulars/)

Comments received by Monday, August 27, 2012, will be considered for inclusion in the AC.  
Sincerely,

  
John R. Dermody, P.E.  
Manager, Airport Engineering  
Division
