1/ Tables SF-1 and SF-2 show the receipts and disbursements by the State for highways. See Table SF-21 for general note on SF series.
 2/ Any differences between beginning balances and the closing balances on last year's Table SF-2 are the result of accounting adjustments, inclusion of funds not previously reported, etc.
 3/ Amounts shown represent only those highway-user revenues that were expended on State or local

roads. See Table SDF for the full amount of and disposition of highway-user revenues.
 4/ Amounts shown represent gross general fund appropriations for highways reduced by the amount of highway-user revenues placed in the State General Fund. See the "Offset by General Funds Spent for Highways" column on Table DF.
