RE: TTB Notice No. 4
Dear Sir/Madam:

I am a small business owner and I would like you to vote NO against the regulated changes the TTB is proposing for flavored malt beverages. I have no wish to lose what I have worked so hard for and I doubt that the American Government wants to lose the revenue they receive from me.
If this rules changes concerning flavored malt drinks come to fruition, it will really be bad for our economy, let alone people's lives. That is why I strongly urge you to vote against this proposal.
Sincerely Yours,

Charles McAdams
