RE: TTB NOTICE NUMBER FOUR

May 15, 2003

Chief
Regulations and Procedures Division
Alcohol and Tobacco Tax and Trade Bureau
P.O. Box 50221
Washington, D.C. 20091-0221

Dear Alcohol Tobacco Tax and Trade Bureau:

Businesses like ours don't expect the government to bail us out, but neither do we expect the government to sink us with more taxes and more regulations. The government should concentrate on reducing, not increasing these burdens. That is why I am so opposed to the TBS proposal to enact new regulations for flavored malt beverages.

We all know the dangers of fixing something that isn't broken. The 30-year-old regulations covering flavored malt beverages are not broken. They are working well and treating all parties fairly. The TTB changes would only create problems.

Let's keep it this way.

Sincerely,

Bryan Zenarolla
