TTB Chief, Regulations and Procedures Division  
Alcohol and Tobacco Tax & Trade Bureau  
P.O. Box 50221  
Washington, DC 20091-0221

Dear Chief, Regulations and Procedures Division:

I enjoy drinking flavored malt beverages like Smirnoff Ice and Smirnoff Ice Triple Black. I oppose the proposed regulation in TTB Notice No. 4 requiring a change in the way these drinks are made because:

- Companies should make the changes the consumers want, not what the government demands.

Sincerely,
