Subject: TTB'S Proposed Rulemaking for FMB's

Dear Sir or Madam:

As an employee of Miller Brewing Company, I am writing to express my support for the TTB'S proposed rulemaking for flavored malt beverages which preserves the integrity of beer.

I believe the TTB's action is an important clarification that ensures that if a FMB product is to be sold as a malt beverage, it should be made as a malt beverage according to traditional brewing methods and processes.

If your rule is adopted, consumers will still be able to enjoy FMB products and wholesalers and retailers to will continue to be able to distribute, sell and market flavored malt beverages as they do today.

Please respond as appropriate.

I appreciate your time and support in this matter.

Thank you,

Joseph P. Tomaszewski
