MILLER BREWING COMPANY

DUDLEY HAAS DISTRIBUTING COMPANY

Dear Sir or Madam:

Dudley Haas Distributing Company supports the rule that you issued in March 2003 that outlines the alcohol content requirements in order for flavored malt beverages to be classified as beer. Your rule stated that for a flavored malt beverage to be classified as beer, its alcohol content from distilled alcohol cannot exceed 0.5%. Once again I encourage the TTB to give final approval to the proposed 0.5% standard on flavored malt beverages.

Sincerely,

Dudley C. Haas
President/ Owner
