September 11,2003

Attn: TTB Notice No.4
Chief, Regulations and Procedures Division
Alcohol and Tobacco Tax and Trade Bureau
PO Box 50221
Washington, D.C. 20091-0221

G&G Distributors, Inc. supports the proposed rule issued in March 2003 by the Tax and Trade Bureau that outlines the alcohol content requirements in order for flavored malt beverages to be classified as beer.

We favor adoption of the proposal that limits the alcohol content from distilled alcohol in FMBs to 0.5%.

Beer is not distilled spirits or fortified wine. Beer is not made through a distillation process, it is brewed. The 0.5% standard will ensure that the integrity of beer remains.

G&G Distributors, Inc. encourages the TTB to give final approval to the proposed 0.5% standard on FMBs.

Sincerely,

George YeweII
President
