Much as I have been unsuccessful in locating any of the relatives of the deceased for over one year now, I therefore seek your indulgence to present you as the next of kin to the deceased so that the proceed from this deposit valued at Us\$25 million can be released to your account over there and I collect 60% while you collect 35% while 5% will be set aside for any expenses which might result from the transfer. The transaction is 100% risk free and highly confidential .You will only have to open an account!

for the lodgment of the money in your country or any country of your choice where you would feel secured in keeping the money, after which, I will come to your country for the sharing.
