Thlcohol and Tobacco Tax & Trade Bureau  
P.O. Box 50221  
Washington, DC 20091-0221

Dear Chief, Regulations and Procedures Division:

I enjoy drinking flavored malt beverages like Smirnoff Ice and Smirnoff Ice  
Irriple Black. I oppose the proposed regulation in TTB Notice No. 4 requiring a  
change in the way these drinks are made because:

- I like FMBs just the way they are.
- These changes will be expensive and I'll end up paying more.
- The federal government shouldn't waste my tax dollars on trivial issues like  
changing the way my favorite drinks are made.
- Companies should make the changes the consumers want, not what the government  
demands.
- The federal government should handle bigger problems like creating jobs, improving  
tzhe economy and protecting us from terrorists.

Sincerely,

Ken Hanson
