To: Alcohol and Tobacco Tax and Trade Bureau

Attention: Notice #4

To Whom It May Concern:

I am writing you to inform you that I am in favor of option #2-51~49 standard Flavored Malt Beverages. Option #1 would cause the current products to completely change their taste as well as increase the cost to produce these products. This would only discourage consumers from purchasing them and therefore would affect all distributors and producers of malt beverages I strongly urge you to support Option #2.

Thank you
