Dear Sir or Madam:

As a card-carrying beer-swilling packer fan. I am writing to express my support for the TTB'S proposed rulemaking for flavored malt beverages which preserves the integrity of beer.

I believe da TTB's action will help us normal beer drinkin guys ta be able ta say with confidence: 'That ain't no freakin' beer yer drinkin' mister!' Since where I comes from, some dude in washington ain't gonna tell that those girlie drinks is beer! So don't screw this up hoser! We'ed all be pretty confused by what's beer an what's a foofy flavored drink with firewater. I actually just read somethin' (yup ma says if I keep it up I'd be at a 4th grade readin' level before ya know it!) where da good people of Nebraska (ya' know people of da land) are really confused and half of um missed da first quarter of da Huskers game tryin' ta figgure out what da heck they was drinkin'.

Tank a lot! Packer fan #12032983283191238129B

P.S. I had some help with this note but ma said its OK
