Subject: TTB Notice # 4

Importance: High

> Dear Sir or Madam:

> > As a state legislative consultant for Miller Brewing Company, I am writing
> to express my support for the TTB'S proposed rulemaking for flavored malt
> beverages which preserves the integrity of beer.

> > I believe the TTB's action is an important clarification that ensures that
> if a FMB product is to be sold as a malt beverage, it should be made as a
> malt beverage according to traditional brewing methods and processes.

> > If your rule is adopted, consumers will still be able to enjoy FMB
> products and wholesalers and retailers to will continue to be able to
> distribute, sell and market flavored malt beverages as they do today.

> > However, absent your new standard, brewers, retailers, and wholesalers
> will face a potential for a patchwork of individual state laws and
> regulations where the same product may ultimately be sold as a "beer" in
> one state and as "hard liquor" in another...in fact, several officials in
> my state have already suggested this as a possibility.

> > Thank you for this opportunity to offer my support for your proposed FMB
> rule preserving the unique differences and integrity of beer. > > Sincerely,
