RE: TTB NOTICE NUMBER FOUR

May 17, 2003

Chief  
Regulations and Procedures Division  
Alcohol and Tobacco Tax and Trade Bureau  
Washington, D.C. 20091-0221

Dear Alcohol Tobacco Tax and Trade Bureau:

I just heard about the proposal that the TTB is making concerning the sales of flavored malt beverages. As this is a large part of my income-making resources, I am most avidly against such a proposal.

This not only affects the sales of flavored malt beverages but it also affects my business and many other people's lives. I have employees who rely on the sales of said products so that they may make a living. I myself rely on it so that I may make a living. The government relies on these sales so they can collect taxes.

For all of these reasons, I ask you to say no to this proposal. Making a living is hard enough without someone throwing a wrench in the works, (which we as small businesses get a lot of anyway). Your support in this matter will be appreciated.

Sincerely,

Cheryl Rom
