RE: TTB NOTICE NUMBER FOUR

May 17, 2003

Chief
Regulations and Procedures Division
Alcohol and Tobacco Tax and Trade Bureau
Washington, D.C. 20091-0221

Dear Sir/Madam:
Why should my customers and my business assume further burden and pay higher taxes? I am tired of the government's promises to lower taxes, all the while they are proposing new rules to tax flavored malt beverages. If this rules change passes, it will mean devastation to my business and the FMB industry.

I believe that if we work together we can come up with a solution, solution that will benefit small retailers, the FMB, and the TTB alike. Finding a compromise will help stimulate our economy as well.

Please help protect our businesses by contesting these regulations. Please protect our rights. Thank you in advance for your support.

Sincerely Yours,

Daisy De Rocco
