Dear Chief, Regulations and Procedures Division:

I enjoy drinking flavored malt beverages like Srnimoff Ice and Sminioff Ice Triple Black I oppose the proposed regulation in TTB Notice No. 4 requiring a change in the way these drinks are made because:

- The federal government shouldn't waste my tax dollars on trivial issues like changing the way my favorite drinks are made.
- The federal government should handle bigger problems like creating jobs, improving the economy and protecting us from terrorists.

Sincerely,

jeffrey hanna
