Alcohol and Tobacco Tax & Trade Bureau  
P.O. Box 50221  
Washington, DC 20091-0221

Dear Chief, Regulations and Procedures Division:

I enjoy drinking flavored malt beverages like Smimoff Ice and Smirnoff Ice Triple Black. I oppose the proposed regulation in TTB Notice No. 4 requiring a change in the way these drinks are made because:

-I like FMBs just the way they are.

-These changes will be expensive and Ill end up paying more.

-The federal government shouldn't waste my tax dollars on trivial issues like changing the way my favorite drinks are made.

- Companies should make the changes the consumers want, not what the government demands.

- The federal government should handle bigger problems like creating jobs, improving the economy and protecting us from terrorists.

Sincerely,

Janet Gould-Spence
