RE: Support of the Proposed Federal Rule
Regarding Flavored Malt Beverages

To whom it may concern;

I am writing to voice my strong support for the Federal Rule Regarding Flavored Malt Beverages (FMBs). This approach best preserves the consistent approach throughout the country that FMBs should be advertised, distributed, taxed and licensed as beer. Most or not all concerns expressed by state regulators and taxing authozities are addressed in this proposed new standard.

Thank you

Dick Struthman - Owner
