RE: TTB Notice Number Four

To Whom It May Concern:

Taxes on products are already absurd. The TTB now wants to place more regulations and more taxes on flavored malt drinks. This is insane! I will lose customers, and I cannot afford that. My store will be at risk of closing if the TTB proceeds with these new regulations.

If the TTB proceeds with the changes, taxes will go up and customers won't want to purchase the flavored malt drink products. Do you feel that is a smart idea? Something needs to be done to stop the TTB from destroying nationwide businesses.

I strongly urge you to put an end to the TTB s proposed regulations. Please vote against the unfair changes, and make sure that the current rules stay in tact.

Sincerely,

Dale Jaco
