Comments=I'm not sure what's going on with these "malt beverages", but I don't see why it matters where the alcohol comes from. alcohol is alcohol, let them make it however they want. no one confuses these things with beer...

To announce that there must be no criticism of the President, or that we  
are to stand by the President, right or wrong, is not only unpatriotic  
and servile, but is morally treasonable to the American public.  
-Theodore Roosevelt, 26th US President (1858-1919)
