## Regional Grants Conference

Oklahoma City, OK | March 19-20, 2007

The NSF Regional Grants Conference in Oklahoma City, OK is quickly approaching. We encourage you to register for the conference and reserve your hotel reservations as soon as possible as space is limited!

Please be aware that the special hotel rate is only guaranteed until Friday, February 23, 2007.

Key officials representing each NSF program directorate, administrative office, the NSF Office of Inspector General, and the Office of International Science and Engineering will participate in this two-day conference.

The conference is considered a must, particularly for new faculty, researchers, educators, and administrators who want to gain key insight into a wide range of important and timely issues at NSF: the state of current Grants; the proposal and award process; and current and recently updated policies and procedures.

### **Conference Highlights:**

- New programs and initiatives
- Future directions and strategies for national science policy
- Proposal preparation
- NSF's merit review process
- Cross-disciplinary and special interest programs
- Conflict of interest policies
- Breakout sessions by discipline
