OFFICE OF THE SUPERINTENDENT
UNITED STATES MILITARY ACADEMY
WEST POINT, NEW YORK 10996-5000

Dear Parent:

Congratulations on your child's acceptance to the United States Military Academy at West Point. Please accept my thanks for both your parenting over the past 18 years and for entrusting your most precious possession – your son or daughter – to West Point.

This Parents Almanac contains information about West Point and the cadet experience. I trust it will help make you an informed parent. Keep in mind the information about cadet schedules and activities is general in nature and varies from year to year. Always confirm specifics with your cadet before making plans.

West Point Parents Clubs offer an excellent opportunity for mutual support and insight during the coming years. I urge you to join in the fellowship of a local club, and I have included a list of clubs in this almanac.

I look forward to meeting you and your new cadet on June 28, 2010.

Sincerely,

A handwritten signature in black ink, appearing to read "F. L. Hagenbeck".

F. L. Hagenbeck
Lieutenant General, US Army
Superintendent

JOINING A PARENTS CLUB

Membership in a West Point Parents Club offers valuable opportunities for mutual support, fellowship, and access to useful information about the academy and cadet life. Although each club is an independent, autonomous organization, clubs are officially recognized and supported by the academy.

The Parents Club network offers a dynamic line of communication between the academy and cadet parents. The Parent Communication Liaison at West Point passes on current information to club presidents, who then communicate with their members through emails and newsletters.

Typical club activities are meetings, informal get-togethers, tailgates, holiday balls, new cadet picnics, luncheons or dinners, and other events at which cadet families gather.

Parents clubs are not a substitute for communication between you and your cadet's company tactical officer (TAC). Specific concerns or information regarding your cadet should be addressed to the TAC.

Many parents clubs communicate and interact with West Point Societies and members of the West Point Admissions Field Force in their local areas. Through this networking, these groups are able to gain a broad perspective on the academy and to assist in telling the West Point story across the country.

Some clubs are becoming more involved by working with the Admissions Office in spreading the word about West Point to their local communities and high schools. Many work with the West Point Societies by coordinating events at away football games and Founders Day activities.

There are West Point Parents Clubs in most states. To join a parents club near you, simply locate the club in your region on the Parents Club Roster and contact the president. (Please note: The roster reflects club presidents as of March 2010.)

If there isn't a club in your area and you would like information about forming one, please call the Parent Communications Liaison, at 845-938-5650; or write to: Directorate of Communications, Bldg. 600, U.S. Military Academy Mail & Distribution Center, 646 Swift Road, West Point, N.Y. 10996-1905.

CADET LIFE

THE WEST POINT EXPERIENCE

When cadets enter the academy, they become active duty members of the U.S. Army and take the first steps toward joining The Long Gray Line, one of the proudest traditions in the Army and in the nation.

At West Point, your cadet will be developed as a leader of character to prepare to serve our Army and country for a lifetime.

The demanding 47-month West Point experience transforms cadets into leaders. This experience includes academic, military, and physical development. A strong emphasis on moral-ethical standards is woven into each developmental area.

You can be enormously proud of the accomplishments of your cadet. West Point is extremely selective, enrolling only the most promising young men and women. They are bright, eager, and enthusiastic; and they demonstrate a high degree of extraordinary leadership potential. They are among the finest young people in America, and we are proud that they have chosen to come to West Point.

ACADEMIC PROGRAM

During their first two years, the program of study consists of a core curriculum of science, English, mathematics, history, information technology, and behavioral and social sciences. This broad base of knowledge forms the foundation for a higher-level core curriculum, a minimum of three engineering courses, and specialization in an academic major.

Your cadets may wish to keep you informed of how they are doing. If they experience difficulty in a course, they should seek help immediately. Additional instruction (AI) is offered in every course. Cadets may also request tutors through their companies.

Academic requirements, coupled with the many other demands upon their time, place a great need for self-discipline on cadets. The Center for Enhanced Performance (CEP) offers a Student Success Course and Critical Thinking and Information Literacy Course through the Reading and Study Skills Program

(RSSP). It also offers individual and team performance enhancement training through the Performance Enhancement Program (PEP) to help cadets adjust to academy life. Academy counseling is provided throughout a cadet's four years. Teams of faculty counselors assigned to each cadet company work with cadets during their first two years. In addition to assisting with individual study challenges, the counselors help cadets clarify the areas of specialization in the curriculum best suited to their individual abilities and goals.

Early in their second year, departmental academic counselors assist cadets in selecting their majors. The counselors are assigned to cadets according to the cadets' chosen majors and provide counseling to the junior and senior classes. Individual course instructors are always willing to help cadets, and the academic counselors in the Dean's Office are available for academic guidance on a walk-in basis..

MILITARY PROGRAM

When new cadets arrive on R-Day, they begin to experience the military environment ever present at the academy. They are required to conduct themselves according to military standards. The first phase of military training is given during the seven-week program known as Cadet Basic Training (CBT). CBT, or “Beast Barracks,” is one of the most strenuous and intense periods of training cadets encounter while at the academy.

During CBT, upper-class cadets, officers, and non-commissioned Officers (NCOs) from the Task Force, Department of Military Instruction (DMI) and Brigade Tactical Department (BTD) train, inspire, and mentor new cadets in basic Soldier skills and prepare them for acceptance into the Corps of Cadets. In addition, the program is designed to inspire each new cadet to internalize the ideals of West Point and the Army. New cadets train in common Soldier skills (marksmanship, first aid, land navigation) and confidence-building events (bayonet assault course, leader reaction course, mountaineering, teargas chamber, and buddy team live-fire exercise).

CBT culminates with “Operation Rising Storm,” which includes an air movement of the new cadets out to the training area via helicopters. Once in the field, the new cadet companies conduct five days of training in land navigation, force-on-force, urban operations, mounted operations, and patrol base activities. Beast Barracks is officially over when the new cadets complete the march back. Marching alongside the new cadets will be the 50-year affiliate class – the West Point Class of 1964, which graduated 50 years before this class is expected to be commissioned. Once they enter the gate, new cadets, led by the USMA Band, are greeted by well-wishers lining the streets as they pass in review before the superintendent and senior members of the staff. On August 14, 2010, at 10 a.m., the Class of 2014 will be accepted into the corps and acknowledged as cadets during a Brigade Review on The Plain. Plebes will then be allowed walking privileges (see page 14).

Each academic year, cadets receive instruction in military subjects. The Military Science instruction during their first academic year is MS 100, Introduction to Warfighting; in the Spring Semester, MS 100 introduces cadets to the Army. Cadets learn the Seven Army Values; the duties and responsibilities of an officer; and the roles of noncommissioned officers, warrant officers, and DA civilians. Additionally, MS 100 provides cadets a foundation of tactical knowledge necessary for success during Cadet Field Training (CFT), which is held in the summer following the plebe year. Tactical instruction includes map reading, troop-leading procedures, and an introduction to military planning. Cadets are also introduced to dismounted platoon operations, patrolling, the organization of a light infantry squad/platoon, and the characteristics of organic weapons.

PHYSICAL PROGRAM

The mission of the Department of Physical Education is to create a cadet-centered educational environment that provides a militarily relevant and scientifically based physical development program, and instills a warrior ethos of physical and mental superiority. The Department of Physical Education develops this environment by engaging cadets in activities that promote and enhance the warrior ethos, physical fitness, psychomotor performance, and a healthy lifestyle. The Physical Program helps cadets develop physical skills, self-confidence, respect for fair play, and a commitment to maintain individual and unit physical fitness.

The Physical Program includes physical education instruction, fitness assessments, and a competitive sports program. The Instructional Program is accomplished through enrollment in the Basic Instruction Program (BIP), Fitness Leader I and II, and a variety of Lifetime Physical Activity (LPA) courses. The BIP courses consist of Survival Swimming, Boxing (Men), Fundamentals of Combatives (Women), Military Movement, and Close Quarters Combat. The LPA program is designed to stimulate individual development through participation in a wide variety of physical activity classes, including rock climbing, tennis, alpine skiing, cycling, and scuba.

The Competitive Sports Program requires cadets to participate in company athletics, competitive club athletics, or intercollegiate athletics. Participation in competitive sports contributes to the will-to-win and moral-ethical and leadership development of cadets. By providing an environment in which Army values are reinforced and the principles of fair play are promoted, cadets learn how to “win the right way,” which transfers directly to their roles as officers. Fair play initiatives focus on demonstrating respect for the rules as well as one’s opponent, coaches, officials, and teammates.

The Fitness Assessment Program is designed to assess a cadet’s progress toward achieving a high level of motor and physical fitness. Cadets are required to take the Army Physical Fitness Test (APFT) each academic term and the Indoor Obstacle Course Test (IOCT) during the Second Class year. Fourth Class cadets are introduced to and evaluated on the IOCT

as part of PE 117, Military Movement. Passing the APFT in the 1st Class year and the 2nd Class IOCT is a graduation requirement. These tests are designed to monitor progress toward Physical Program goals and to motivate cadets to achieve a high level of physical fitness. In addition to the annual APFTs and IOCT, the health-related components of fitness are assessed and embedded in the core curriculum in the Fitness Leader I and II courses.

The academic year Physical Program is complemented by an intense and progressive Cadet Summer Training (CST) program. The Cadet Basic Training (CBT) and Cadet Field Training (CFT) programs are designed to prepare cadets for the physical demands of cadet/military service life and the combat environment. CFT provides each cadet repeated opportunities to apply principles learned during the academic year’s physical education curriculum. Specifically, the CST programs integrate military and physical training. This integration provides a forum where cadets are taught to apply and model the knowledge, psychomotor skills, attitudes, and behaviors that result in a sustained high level of physical fitness and enhanced combat readiness.

The Physical Program contributes to all these aspects of learning. Cadets are challenged to successfully accomplish physically demanding skills; to increase self-confidence, determination, and the will-to-win; and to think and act purposefully under physical and emotional stress.

“HE WHO FEELS THE RESPECT WHICH IS DUE TO OTHERS CANNOT FAIL TO INSPIRE IN THEM REGARD FOR HIMSELF, WHILE HE WHO FEELS, AND HENCE MANIFESTS, DISRESPECT TOWARD OTHERS, ESPECIALLY HIS INFERIORS, CANNOT FAIL TO INSPIRE HATRED AGAINST HIMSELF.”

— Major General John M. Schofield

ETHICAL DEVELOPMENT

PROFESSIONAL MILITARY ETHIC EDUCATION (PME2)

The purpose of Professional Military Ethic Education is to provide cadets instruction that reinforces current academy programs and assists in developing the self-concept of Officership and the ethos of the American Military Profession. The PME2 program of instruction attempts to put all lesson objectives into the context of real-life situations. The goal is to show cadets how their education fits into the big picture, both in society as a whole and the Army. The curriculum is designed to reinforce education in three areas fundamentally important to developing leaders of character: Values Education, Officership, and Leader Development.

THE HONOR PROGRAM

“Duty, Honor, Country.’ Those three hallowed words reverently dictate what you ought to be, what you can be, what you will be. They are your rallying point...”

General Douglas MacArthur spoke these words to the Corps of Cadets, on May 12, 1962, in his farewell address to West Point. The Cadet Honor Program is essential to the character development of cadets throughout their 47-month experience. The program’s foundation is the Cadet Honor Code, which states: “A cadet will not lie, cheat, steal or tolerate those who do.”

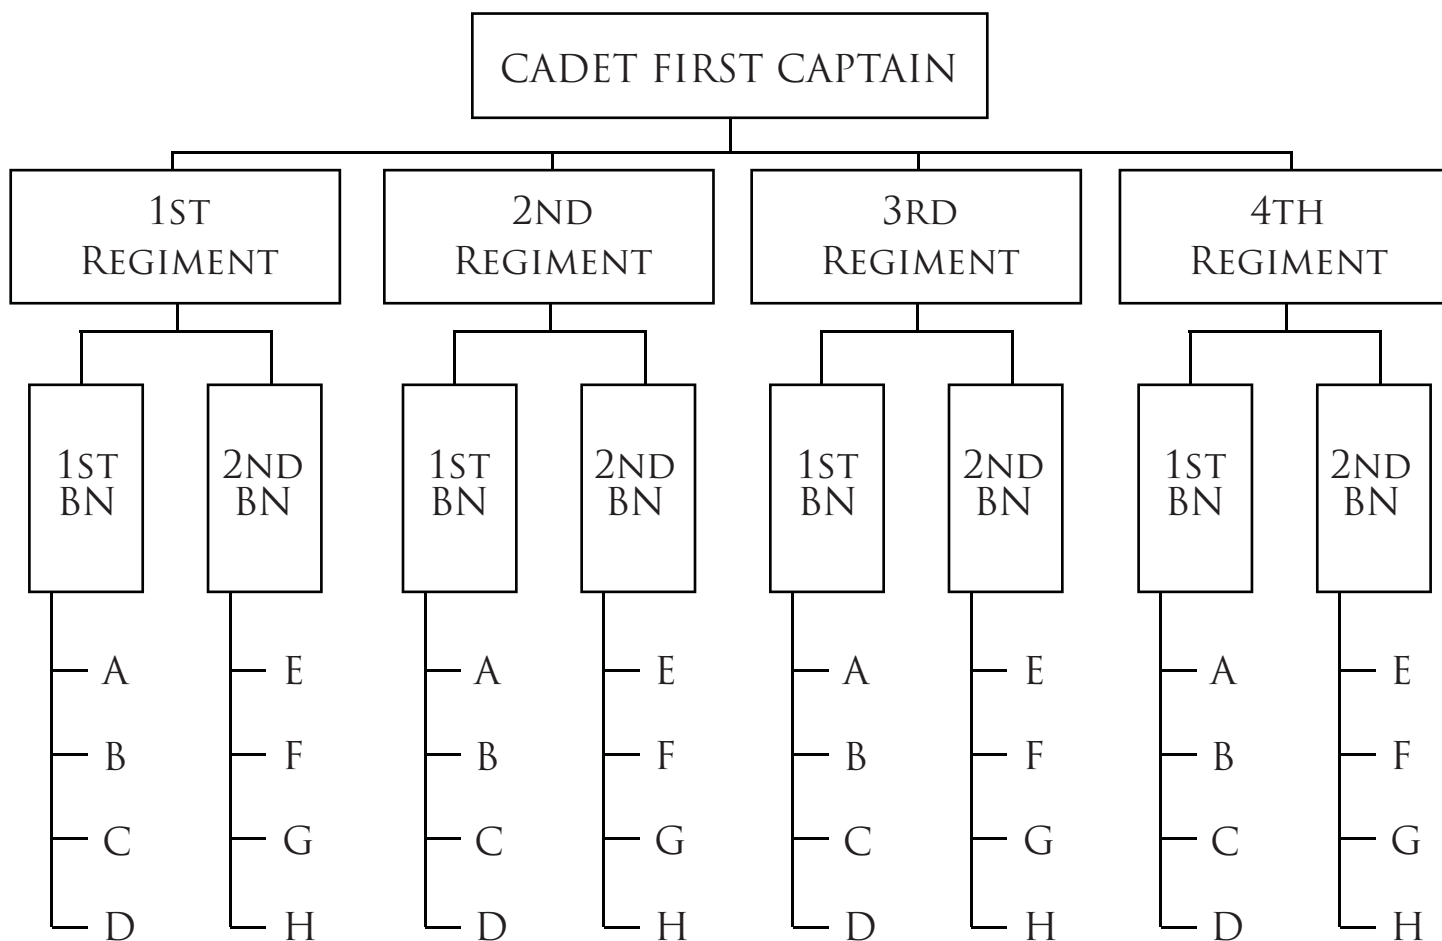

THE RESPECT PROGRAM

For generations, West Point has advocated respect for others as an integral part of leadership and inherent to the ethos of the professional military officer. The ability to educate, train and inspire leaders of character is linked to the academy’s commitment to ensure a positive command climate, eliminate discrimination, and foster an atmosphere in which cadets can learn and develop equally without prejudice. The intent of the program is to engender a professional attitude that encompasses every aspect of cadet life and that is essential for effective leadership in the Army.

The Army and the U.S. Military Academy will not tolerate violations of equal opportunity (prejudicial and discriminatory behavior or unfair treatment based on race, religion, national origin, color, or gender.) Therefore, the main function of the Respect Program is to educate cadets on equal opportunity issues. The program strives to enhance cadets’ understanding of a commitment to the fundamental principle that each individual intrinsically has infinite dignity and worth.

CADET RULES AND REGULATIONS

A, B AND F SATURDAYS

A, B and F Saturdays refer to three kinds of Saturdays in the cadet academic year schedule. The following explanation is from an academy regulation:

Alpha (A) Saturdays are those Saturdays during which all cadets, except those participating in Corps Squad competitions and approved club or academic trip sections at or away from West Point are required to be in attendance for events scheduled on Saturday morning by the Commandant (A/C Saturday) or the Dean (A/D Saturday). Operating rules for A/D weekends include a formal evening study period (ESP) on Friday evening and Dean’s activities on Saturday from 7:35 a.m. until 11:45 a.m. Operating hours for A/C weekends are the same as A/D weekends, to include the ESP on Friday evenings and 7:35 a.m. until 11:45 a.m. for Commandant’s activities.

Bravo (B) Saturdays are those Saturdays during which all events for cadets are discretionary. Extracurricular activities will schedule their away events on Bravo Saturday weekends.

Foxtrot (F) Saturdays are those Saturdays during which the only requirements for cadets are in support of the home football game and supporting activities (i.e. guards, parade, march-on and Black Knight Alley). The Corps is required to attend each home game in support of the Army football team. The Commandant and the Dean will schedule no mandatory requirements for any cadets on a Foxtrot Saturday. Operating rules for F weekends include an Evening Study Period on Friday night.

Cadets will receive the specific schedule of Saturdays at the start of the academic year. Many parents who plan a trip to West Point often schedule it on a B Saturday weekend, which may allow them more time with their cadet. *Reminder: All information provided in this almanac is subject to an individual cadet’s circumstances, eligibility criteria and duty requirements.*

LEAVES AND PASSES

Information about leaves and passes is contained in the USCC Standing Operating Procedures (SOP) and associated privilege memorandums for leave periods. Cadets are responsible for submitting all requests and obtaining approval for leaves or passes. Approval must be obtained from the cadet’s Tactical Officer before making any travel arrangements.

A “pass” is a privilege that may be earned. It is approved or disapproved by the company tactical officer (TAC). Plebes are eligible for one baseline pass during their first year.

Generally, all cadets are authorized leave as a part of the curriculum and as a respite from academic

and military duties. Unless otherwise notified, cadets may take leave from West Point during Thanksgiving, December Winter Leave period, Spring Break, and the summer. Cadets will receive specific information through privilege memorandums at the start of the academic year that specifies departure and return times for these leave periods.

In the event of a family emergency, TACs may approve leave requests that meet the criteria for Army emergency leave status (death of a parent, “in loco parentis,” or immediate family member). Passes may be granted for situations that do not meet the criteria for Army emergency leave by the Regimental Tactical Officer after approval from the TAC. Neither of these situations count against the cadet’s baseline passes for the semester. If parents cannot reach their cadet, they should call the cadet’s tactical officer or TAC NCO. Parents may also call the Central Guard Room (845-938-3030), which is staffed 24 hours a day, or the Brigade Tactical Department Headquarters (845-938-6004).

WALKING PRIVILEGES

After Acceptance Day, August 14, 2010, cadets in good standing have walking privileges for the weekend once they have completed all duties. On normal weekends, cadets may take walking privileges on Saturdays after their last duty until 11 p.m. and Sundays from 5:20 a.m. to 7 p.m. More guidance regarding privileges for this special weekend will be published during the summer.

As is the case in any explanation of cadet regulations, these are general guidelines that are subject to an individual cadet’s circumstances. It is the cadet’s responsibility to know the regulations and how to apply them to each particular case.

PARAMETERS OF WALKING PRIVILEGES

To the North: Washington Gate.

To the East: The westerly bank of the Hudson River.

To the West: The easterly side of Route 9W, with the exception that cadets traveling in privately owned vehicles are permitted to ride down the westerly side of Route 9W to access an establishment on the easterly side of Route 9W.

To the South: To the Bear Mountain Bridge Circle. Cadets traveling in privately owned vehicles may travel to Bear Mountain State Park.

HISTORIC CADET MESS IN WASHINGTON HALL

The neo-Gothic Cadet Mess at West Point is an impressive structure configured like an enormous spoked wheel with six dining wings radiating from a central elevated “poop deck.” The mess hall seats and feeds the entire Corps of approximately 4,400 cadets in less than 25 minutes. It provides well-balanced, nutritional meals that support the cadets very active daily life. To maintain the unity of the Corps, the use of the mess hall by others is highly regulated. Family

members may eat in the mess hall with their cadet under the following guidelines:

Official Guests: Cadets of any class may invite and escort an official guest (official as deemed by Protocol or Public Affairs) or a member of the Armed Forces during any meal, with minor exceptions listed in the USCC SOP.

Unofficial Guests: Second class cadets may invite and escort guests to informal meals only, with a maximum of five guests. The exception for fourth class cadets is during Plebe Parent Weekend, when they may escort guests to informal meals. Other exceptions are listed in the USCC SOP.

Informal Meals: Saturday lunch and dinner or Sunday brunch.

Official Weekends: Special events are scheduled throughout the year for different classes. At such times guest meal tickets are not authorized.

Meal Hours: Meal hours are posted on the cadet schedule and are strictly enforced.

SPECIAL EVENT WEEKENDS

Over the next four years, cadets will have special event weekends to enjoy with their invited guests ...

PLEBE-PARENT WEEKEND, CLASS OF 2014 MARCH 11-13, 2011

Plebe parents are invited to West Point to spend time with their cadets over this weekend to see what they have accomplished since their entrance into the academy. Other family members and friends are also welcome to visit at this time.

RING WEEKEND, CLASS OF 2011 AUGUST 20-21, 2010

Firsties (senior cadets) receive their class rings in late August of their final year at the academy. This firstie occasion is celebrated with a weekend of events. There is a banquet and dance to top off the festivities on Saturday night.

500TH NIGHT WEEKEND, CLASS OF 2012 JANUARY 21-22, 2011

The date marking the 500th night before graduation prompts a January weekend of festivities for “cows,” or juniors. This milestone in a cadet’s schooling is typically celebrated with a Saturday night banquet, followed by a formal dance.

YEARLING WINTER WEEKEND, CLASS OF 2013 JANUARY 28-29, 2011

This weekend occasion is planned for “yearlings,” or sophomores, and their guests. Winter sports activities at West Point are highlighted, along with a Saturday evening banquet and formal dance.

100TH NIGHT WEEKEND, CLASS OF 2011 FEBRUARY 25-26, 2011

This late winter weekend marks the 100th night before graduation. It is a time of anticipation for these future officers and also an occasion for looking back at the humorous and unforgettable experiences they have shared during their time at West Point. The cadets write and produce a show capturing the ups and downs of their 47-month experience. The show is held at Eisenhower Hall on Friday and Saturday nights. There is also a formal banquet in the mess hall before the Saturday night performance.

GRADUATION WEEK

Many special activities are planned during the week preceding the Saturday morning graduation ceremony. The USCC Operations Office sends firstie parents a Guide for Graduation Week outlining the week’s events. This is mailed in April of the cadet’s senior year.

Although some events begin as early as Wednesday, Friday is when the graduation parade, banquet, and hop occur. Please remember: If you are planning to attend, you will need to make arrangements for lodging well in advance.

OPPORTUNITIES FOR PARENTS AND GUESTS TO VISIT WEST POINT FOR THE CLASS OF 2013

The Class of 2014 will return to West Point on Monday, August 9, 2010, which is the conclusion of CBT. They will pass in review in front of the Superintendent's Quarters that morning. Parents and friends are welcome to come and cheer the Class of 2014 but will NOT have an opportunity to visit with their new cadets at this time. The new cadets will be starting Reorganization Week, when they will move into barracks and pick up their books, uniforms, computers, phones, etc., for the start of the academic year.

An Acceptance Day Parade will be held Saturday, August 14, 2010, 10 a.m., when the Class of 2014 will be welcomed into the Corps of Cadets as plebes. The cadets normally enjoy privileges on Saturday after

completion of their last duty, usually early afternoon, and again on Sunday. Cadets must return to their barracks each evening.

If you plan to come for the Acceptance Day Parade, you should prearrange a meeting place with your cadet.

Families can picnic at various locations around West Point. Barbecue sites are located at South Dock on a first-come, first-served basis. Cadets normally have been allowed to visit Round Pond during the day over this weekend. If you want to make reservations, please check their website at www.westpointmwr.com. In addition, some Parents Clubs may set up specific picnic areas for members; check with your local club. More guidance regarding Acceptance Day and cadet privileges will be published on the Parent Information web page – www.westpoint.edu/Dcomm/wppc.asp – and the Class of 2014 web page.

COMMUNICATING WITH YOUR CADET

Mail to Cadets

Individual post office box numbers are sent to new cadets as part of a mailing from the Director of Admissions in mid-June. The cadet's box number will remain the same for all four years at the academy. New cadet mailing addresses will also be available during

R-Day at the Reception Center. Cadets can send their address within a day or two to parents who are unable to attend R-Day. Unless it's an emergency item (e.g., eyeglasses), packages are not to be sent to new cadets during Cadet Basic Training.

SUGGESTIONS FOR PARENTS

Bring a stamped envelope/card with you, place your cadet's new address on it, and drop it in the mailbox before leaving West Point. Your cadet will enjoy having mail right away.

Write your cadet encouraging words as frequently as possible.

Emphasize taking one day at a time and keeping a sense of humor.

Send hometown news, cartoons, inspirational cards, and a few pre-addressed and stamped postcards to your new cadet.

THE TAC TEAM

The academy is often a cadet's first introduction to a military environment. TAC teams are instrumental in the cadet's transition to the military lifestyle. A company TAC team is composed of an active duty officer (captain or major) and senior noncommissioned officer (NCO) – sergeant first class or master sergeant. TACs are the program integrators of the academy. They have the requisite military and civilian education and experiences to lead, coach and mentor cadets, ensuring an easy and thorough integration into the Corps of Cadets.

If you have any questions or concerns about your cadet, the TAC or TAC NCO should be your initial contact point. If you are unable to contact the TAC team, you may call the Brigade Tactical Department at 845-938-6004.

EMAIL AND THE WORLD WIDE WEB

Cadets receive their personal laptops and printers during Reorganization Week in August. The simplest way to initiate an email conversation is to have your

cadet send an email to your address. Email is not available for new cadets during CBT. West Point has its own website on the worldwide web. The address is www.westpoint.edu. This website offers invaluable information to parents. A list of important calendar dates is available on this site (<http://www.westpoint.edu/Dcomm/wppc.asp>) and allows parents to check various dates, such as Thanksgiving Leave, Winter Leave, Spring Leave, and long weekends for cadets.

PACKAGES AND 'BOODLE BOXES'

"Boodle" is the cadets' expression for goodies from home, and it's a very effective morale booster after CBT. Do not send boodle during CBT. When you send boodle, use an airtight container that will provide storage for future mailings. The size of a boodle box should be 23" x 17" x 9". All packages for cadets should be sent to their PO boxes.

TELEPHONE CALLS

Most new cadets will not be able to call home for a minimum of one week after R-Day, although this changes from year to year. There are company orderly room phones, which the cadets will be allowed to use (with permission) during CBT. Additionally, upper class cadets may give permission for the new cadets to use their personal cell phones or room phones to make brief phone calls (10 minutes or less) home.

During Reorganization Week (August 9-14), all new cadets will be issued telephones for their rooms, and they will be allowed to have use of their personal cell phones, if available.

CADET HOME ADDRESS

If your address changes while your cadet is at the academy, he/she must go to the Cadet Personnel Office, S-1, to fill out a change of address form. The cadet is the only person authorized to do this.

If parents do not reside at the same location, remind your cadet to **provide addresses for both parents**. Each parent will then receive information sent out by the academy as authorized by the cadet.

MEDICAL AND DENTAL TREATMENT

Cadets are active duty members of the U.S. Army and are entitled to complete military medical and dental benefits as long as they remain on active duty. Eligibility for military health benefits lasts until midnight of the date of discharge from active duty.

Retention of a civilian medical plan ensures continuous medical coverage after discharge. Please check with your plan's administrator about maintaining coverage for your cadet and before you try to use the private insurance to pay for care while the cadet is still on active duty.

Cadets who are separated from the academy because of an injury or illness suffered while on active duty may apply for medical care from the Department of Veteran Affairs. Cadets who resign for reasons other than injury or illness suffered while at the academy generally are not eligible for VA medical benefits.

Cadets receive routine medical care at the Mologne Cadet Health Clinic and Keller Army Community Hospital or in the local TRICARE network. Don't panic if you hear your cadet is in the hospital. You may call the TAC Team at any time to get information. Cadets who have an illness that requires bed rest, such as the flu, are often hospitalized because they do not have the option of missing classes and resting in their rooms. Because of laws protecting the confidentiality of medical information, cadets are responsible for notifying their parents. If a serious injury occurs, the TAC officer will notify the parents.

While in the hospital:

- Your cadet can call you by using a calling card or dialing collect.
- You can reach your cadet by calling the nurses' station at 845-938-3004/3045. Your call will be transferred to the cadet's room.
- Parents of cadets with significant illness or injury may speak with the cadet's attending physician. However, the physician cannot discuss medical information unless permission is granted by the cadet.

When a cadet is away from West Point on leave, pass or temporary duty (TDY), he or she is entitled to urgent care or emergency care only. Urgent medical care is treatment for an illness or injury that will not result in disability or death if not treated immediately, but should not be delayed until the cadet returns to West Point. Examples include sprains, earaches, sore throats, rising temperatures. Authorization must be obtained before accessing urgent care. The cadet calls Health Net Federal Services at 877-874-2273 for authorization and assistance in locating suitable urgent care.

Emergency medical care does not require prior authorization. An emergency is a sudden and unexpected illness or injury that threatens life, limb, or eyesight and/or a sudden, extremely painful condition that requires immediate treatment. The cadet should go to the nearest military or civilian emergency room or call for an ambulance if needed. Cadets are required to carry

COUNSELING SUPPORT FOR CADETS

Confidential counseling for cadets challenged by stress, adjustment issues, relationship concerns, sadness, diminished self-confidence, anger-management problems, eating disorders, and more is immediately available to all cadets.

The Center for Personal Development (CPD), established in 1967, has four full-time licensed psychologists providing confidential support for cadets struggling with a wide variety of personal challenges including those who have been hurt in the past by child abuse and/or sexual assault. Appointments can be made online via the USCC homepage where the counselors' biographies can also be found. Of the four counselors, three are active duty and one is civilian. CPD is located in the cadet area in the 51st Div., Scott Barracks.

Despite the fact that the Corps of Cadets includes America's hardest young adults, they are not immune to stress and may, at times, feel isolated in their challenges. For these reasons the academy wants to be sure cadets and their parents are aware of this supportive resource. If you sense your cadet may be confronted by an issue that is reducing his/her performance or exceeds his/her personal resources, encourage your cadet to schedule an appointment with one of CPD's counselors. If you have any questions or would like additional information about CPD, you may call 845-938-3327/3022.

LEAVE AND PASS TRANSPORTATION

During major holiday and leave periods, bus transportation is available for cadets to various airports. Announcements about these buses are posted for cadets on the internal USCC webpage under S-4, transportation section. Cadets must purchase bus tickets in advance.

Cadets should allow themselves at least three hours for travel to LaGuardia, JFK, and Newark airports, since traffic can cause significant delays. Travel from Stewart International Airport may be more convenient if flights go to your home area from there.

Cadets are encouraged to make their own arrangements. Parents must check with their cadets regarding leave dates before making reservations.

CADET PUBLIC RELATIONS COUNCIL

The Admissions Office sponsors the Cadet Public Relations Council (CPRC). Plebes who are members may be assigned to escort candidates during the candidates' visits at West Point. Upperclassmen may participate in the CPRC Hometown Visit Programs and Admissions Officer Events throughout the nation, provided they have the required academic and military standings.

VISITING WEST POINT

GENERAL SUGGESTIONS

When visiting your plebe, plan to remain on post or to stay within the confines of their walking privileges. (Limits are explained in the “Cadet Life” section.)

- Wear comfortable shoes.
- West Point has many picnic areas to enjoy.
- Home football game weekends are a lot of fun. The fall season is beautiful in the Hudson Valley. The games are exciting, and tailgating at West Point is a unique experience.
- Visiting West Point when no special events are scheduled has the advantage of more free time with your cadet and fewer crowds.

VISITORS CENTER

This facility, located outside of Thayer Gate in the Pershing Center, is open from 9 a.m. to 4:45 p.m. daily, except for New Year’s Day, Thanksgiving Day and Christmas Day. Receptionists are available to provide information about West Point and the surrounding area.

Murals, videos, movies, and other displays inform visitors of the mission, history, and operation of the U.S. Military Academy. A commercial tour company operates from this facility, providing regularly scheduled bus

tours that include points of interest like the Cadet Chapel and Trophy Point. Telephone 845-938-2638, or visit the website at www.WestPoint.edu/dcomm/vic.asp.

The U.S. Military Academy is a military reservation and is under heightened security. When entering the academy, you will need to have valid, government-issued photo IDs for anyone in the vehicle who is age 16 or older. All vehicles are subject to inspection. When making plans to visit the academy, be sure to allow extra time for possible delays at the gate.

WEST POINT MUSEUM

The West Point Museum, the oldest museum in the Department of Defense, opened in 1854. It is located at Pershing Center behind the Visitors Center. It consists of six galleries that focus on West Point and its history, the history of warfare, the history of the U.S. Army in both war and peace, and a history of military small arms and large weapons.

The collections are diverse and contain military arms, uniforms, and flags, as well as military battle art, portraiture, and other memorabilia related to West Point and the Corps of Cadets. The earliest exhibits date to 3000 B.C. with artifacts from Egypt’s Old

Kingdom, and the most-current objects are from the Gulf War. Galleries are designed by theme and then chronologically to facilitate self-guided tours. For more information about the museum, call 845-938-3590/2203 or visit the museum’s website at www.WestPoint.edu/museum.

CONSTITUTION ISLAND

During the Revolutionary War, the fortifications at West Point and Constitution Island were critical to the defense of the Hudson River. The Constitution Island Association runs tours to Constitution Island for the public from June 25 until September 25 and at special times during the year. To reach the island, visitors take a ferry from the South Dock at West Point. Tours leave the South Dock at 1 p.m. and 2 p.m. on Wednesdays and Thursdays. Tours are approximately 2¼ hours in duration. Visit their web site www.constitutionisland.org or call 845-446-8676 to make reservations.
