Mobile MedlinePlus® and Twitter Exercises

**EXERCISE 1:**

- Search m.medlineplus.gov for “herniated disc”
- Do the same search on medlineplus.gov
- Compare the difference in results
- Can you guess why different Health Topics are listed?

**EXERCISE 2:**

- In m.medlineplus.gov, click on “Drugs”
- Use “Find a Drug” to search for “headache”
- Use “Find a Drug” to search for “dizziness”
- Are the results what you expect?

**EXERCISE 3:**

- Conduct your own search in both Mobile MedlinePlus and the MedlinePlus, and report the difference in results.
- Do you see different Health Topics?

**EXERCISE 4:**

- Go to hstweets.com and look at some of the tweets; do you find interesting information?
