**Essay**

Please attach a response, limited to no more than 5 pages, to each of the following questions.

Be creative and original in your response.

1. Do you feel that acknowledging differences based on race has worked more to unite or divide our country? Additionally, how do you envision the future role of race relations in the United States?
2. Historically, diversity in the United States has been perceived simply as a "black and white" issue. What influence, if any, have emerging diversity trends had on race relations in our nation?

## **Resume**

Please attach a current resume.

## **Letters of Recommendation**

We require two letters of recommendation from a professional or academic source with no family relations.

## **Transcript**

Please have your most recent official university transcript mailed to our office in a sealed envelope. Make sure to request the transcript in advance, so that your complete application can be reviewed in a timely fashion.
