Kindergarten Components Continued

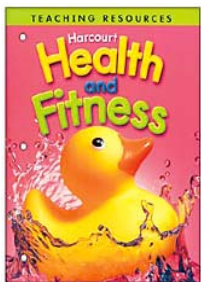

Kindergarten Kit Components:

Activity Book Blackline Master provides a variety of support activities for every lesson. It includes practice pages to reinforce key health concepts, vocabulary, life skills, and reading skills.

The Big Book is an attractive, free-standing book that makes it easy for teachers to engage students in whole-group instruction.

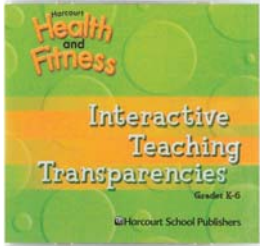

Teaching Resources offer valuable resources that expand the content in the Student Edition as well as resources to keep parents informed and involved. It includes School-Home Connection letters, Take-Home Booklets, and reproducible copies of the Health and Safety Handbook.

Teaching Transparencies support the lessons in the Student Edition with diagrams that enhance specific health topics and graphic organizers that support reading and text comprehension.

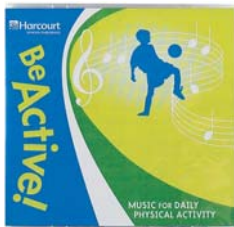

Kindergarten Components Continued
