

Parent-Teen Activity Series

Tip of the Month

Here are some issues you can discuss with your teen about jobs. Finding a job that fits your own needs, skills, and interests is important. Utilize the many resources available for finding jobs such as the internet, employment agencies, newspapers, and bulletin boards, as well as word of mouth. Applications and interviews require certain etiquette and skills that should be discussed, including honesty, integrity, and reliability. Remember to teach your teen to act professional under all circumstances.
