USAREUR Soldier hit, killed by train

HEIDELBERG, Germany – A U.S. Army Europe Soldier died after being hit by a train in the vicinity of Luhe-Wildenau (south of Weiden) at approximately 4:30 p.m. March 11.

The Soldier, assigned to 2nd Stryker Cavalry Regiment, based in Vilseck, was pronounced dead at the scene by German emergency response personnel.

The Soldier's name is being withheld pending notification of next of kin.

The incident is under investigation by U.S. and German law enforcement personnel.
