USAREUR launches YouTube site to commemorate “Fall of the Wall”

HEIDELBERG, Germany— U.S. Army Europe now has a YouTube video playlist for anyone to post videos with their personal recollections of the events surrounding the fall of the Berlin Wall and the inner German border. Soldiers, Veterans, civilian employees, and Family members who were serving in Germany on November 9, 1989, are especially encouraged to post a video.

The playlist, “Where were you when the Wall came down?” can be viewed at WWW.Youtube.com/usarmyeurope. USAREUR encourages viewers to post comments or video responses describing their experiences related to the events surrounding what was arguably the beginning of the end of the Cold War.

Those who would like USAREUR to upload their video for them should send the video to this email address: usarmyineurope@googlemail.com
