

TONER AND INK CARTRIDGES

This chart was developed as a tool to help you find the printer or ink cartridge that fits your machine model, as well as the GSA part number for ordering. Choose from a broad selection of genuine OEM manufacturer cartridges, and value-priced compatible and remanufactured alternatives, all of which are compliant with government acquisition policies and socioeconomic and environmental regulations.

Office Supplies under FSSI

Under the Federal Strategic Sourcing Initiative (FSSI), GSA has negotiated Blanket Purchase Agreements (BPAs) to provide extra savings on office supplies for those using a Government Purchase Card. Many agencies have established policies for mandatory or preferential use of the FSSI Office Supplies BPAs. FSSI can offer significant savings for CONUS activities including discounts at retail stores where FSSI vendors have retail store locations.
