Unit Staff will be responsible for compiling a regular visiting list within five days after receipt of the inmate in the unit. The list of approved visitors will be keyed into the Visiting Program, with the following information regarding each visitor: name, date of birth, marital status, current address, and relationship to the inmate. It will be the responsibility of each inmate to keep his Unit Team advised of any address changes. Inmates will be allowed to add or remove visitors from their visiting list one time each month within a reasonable amount. The inmate's Correctional Counselor will perform this function.

Generally, special visiting privileges must be requested at least three days in advance of the proposed visit. Unit Team staff will be responsible for the supervision of these visits. Each approved special visitor will complete a Visitor Information (BP-629), which will be reviewed by staff prior to allowing entry into the Visiting Room. If questions arise during review of the responses to the questionnaire, the Shift Lieutenant will be contacted to make a determination to allow/disallow entry.

**E. Holdovers -**

Inmates in holdover status will be permitted to visit with immediate family only. Visits for holdover inmates will be held on regular visiting days and visiting forms will be kept on file with the regular visiting forms for tracking. - B. Inmates in Admission/Orientation who do not have a visiting list will be permitted to visit with immediate family only.
- C. Visits for inmates in the Special Housing Unit will be cleared through the Shift Lieutenant to ascertain if there are any known reasons the visit should not be held in the regular visiting area. Special Housing Unit inmates will visit on Monday only, regardless of custody level.

Visiting may be restricted or disallowed when an inmate in this status is charged with, or been found guilty of a prohibited act relating to visiting guidelines, or may reasonably be considered a threat to the orderliness or security of the visiting room.

Loss of an inmate's visiting privileges for any other reason may not occur unless the inmate is provided a DHO hearing and results in a finding that there is a lack of other appropriate sanctions or that imposition of an appropriate sanction has been ineffective.

***The UDC may not impose a loss of visiting privileges for inmates in detention or segregation. This does not interrupt visiting sanctions imposed prior to inmate's placement in detention or segregation.***

**VISITING RULES AND REGULATIONS**

1. It is the policy of this institution to provide visiting facilities and procedures that will encourage wholesome and meaningful visits with relatives, friends, groups, etc. Visits are stressed as an important factor in maintaining the morale of each inmate and motivating him toward positive personal interactions. It is the responsibility of each visitor/inmate to adhere to the visiting regulations as set forth in the following paragraphs.
2. Social visits are permitted from 8:00 a.m. to 3:15 p.m., Thursday through Monday. There is no visiting at the institution on Tuesday and Wednesday. Each inmate will be allowed to receive a total of ten visiting points a month. An inmate's immediate family; mother, father, stepparents, foster parents, brothers, sisters, wife and children, are routinely approved as visitors. Each inmate is responsible for obtaining Unit Team approval for prospective visitors.
3. At the present time, our visiting facilities are limited; therefore, it may become necessary to limit visits due to these facilities becoming overcrowded. When overcrowded conditions exist, visits will be terminated based upon equal consideration of: Those who have visited the most frequently - those who reside in the Tri-State Area - those who have visited for the longest period of time. Visiting may also be terminated due to institution emergencies and improper conduct by the inmate or his visitor. Limitations on the length or frequency of visits may be imposed when these visits interrupt the continuity of an inmate's program.
4. Embracing and kissing as a greeting or farewell is permitted within the limits of acceptable conduct upon arrival and departure of visitors. When continued intimacy occurs throughout the visit, the visit may be terminated due to this unacceptable conduct. It should be noted that when the visit is terminated due to unacceptable conduct, the inmate will receive an incident report and face possible disciplinary action.
5. All monies, packages, gifts and pictures must be received by the inmate through the institutional mail system. None of the above will be given by the inmate to his visitors. None of the above will be accepted by the Visiting Room Officer, nor through the Visiting Room.
6. Prospective visitors under the age of 16 must be accompanied by a parent, legal guardian or a member of their immediate family who is at least 18 years of age; or have written consent from a parent, legal guardian or member of their immediate family prior to the visitation. Each adult

visitor, 16 years of age and older, will be required to provide proof of their identity to the Front Entrance Officer in the form of picture identification. Adult visitors will be required to sign information forms indicating their name, complete address, inmate being visited, and acknowledging their awareness and understanding of possible penalties for violation of visiting regulations and/or the introduction of contraband. Any attempt to bring unauthorized items into the institution is a serious violation of Federal Law (U.S. Code, Title 18, Section 7291) and is punishable by imprisonment and/or fine.

7. The Visiting Room Officer is responsible for supervising the visits and recognizing the fact that we have many age groups of visitors from young children to senior citizens; the best interest of a wide variety of citizens must be considered in setting standards on attire. Visitors are expected to use good judgement and taste in their dress. Persons who come immodestly and/or provocatively dressed may be denied the privilege of visiting. Dresses, skirts or loose fitting "Bermuda-type" shorts must be at least knee length. No portion of the breasts may be exposed. The wearing of T-shirts or other form-fitting clothes by female visitors without bras is prohibited.

Prohibited clothing items include, but are not limited to: see-through; fishnet; form-fitting (Lycra or Spandex); low-cut, backless, sleeveless, or strapless blouses and/or dresses; shorts; halter tops; swimwear; clothing which exposes the midriff portion of the body; ripped or torn jeans; and other revealing clothing items. The wearing of any type of club, gang, or other organization symbols is strictly prohibited.

Tight, provocative dress is not acceptable at any time in the Visiting Room. Any clothing similar to that worn by inmates is not acceptable. Questionable attire will be clarified by the Operations Lieutenant and/or the Institution Duty Officer.

8. Visitors are to have and maintain complete control of their children while in the Visiting Room or on institutional property. Limitations may be necessary when an inmate has a large number of regular approved visitors living in the vicinity of the institution. The maximum number of adults who may visit an inmate at one time is four; but these regulations may be interpreted flexibly within the guidelines of preventing overcrowding in the Visiting Room or preventing difficulty in supervising a visit, except on weekends and holidays when this will be strictly adhered to.
9. It is permissible for the visitor to give the inmate any item from the vending machine to be consumed while on a visit. Each inmate will assume reasonable responsibility for proper conduct during visits with as much

control of his visitors' conduct as may be expected of him. Each inmate and his visitors are expected to maintain a safe and sanitary visiting area. The use of cameras or recording equipment without written consent of the Warden is strictly prohibited. No cell phones or pagers will be allowed. Documents or papers will not be examined or signed in the Visiting Room without the approval of a member of the inmate's Unit Team. Visitors are encouraged to store all of their parcels, handbags, etc., in their vehicles or in their motel rooms prior to coming to the institution. Additionally, personal photographs, makeup containers, chewing gum and mints will be prohibited. These items will not be allowed into the Visiting Room. Any effort to evade the visiting regulations may result in disciplinary action for the inmate and possible legal proceedings against the visitor.

10. It should be noted that in a situation where a visitor is suspected of attempting to introduce contraband onto institutional property or into the institution, that visitor is subject to a detailed search of their person.
11. The television in the Visiting Room is for the children; the Visiting Room Officer will control the volume and channel, and ensure that the programming is suitable for their viewing. Disputes over programming will be settled by the Visiting Room Officer.
