4 farmers composting

Different kind of farmers

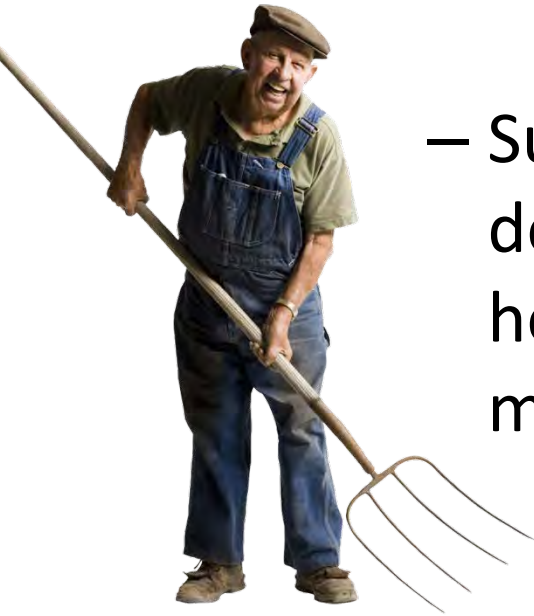

– Yes, I want to know! what are going to do?
Where do I get that? I'll do it!

– Humm thanks come back and show
us, we want to do it.

Different kind of farmers

- Suss-suss tainn ability? What? I've done it this way for a long time I know how to do it, but come back and show me.

- Lets do it, but I don't have time for it, are there any in\$entive\$?
