Local elections officials send absentee ballots approximately 45 days before elections.

As of: October 2, 2012

Page: 181

Election Dates

Registration: October 10, 2012*

* If you miss this deadline and you are an active duty Uniformed Service member, or their spouse or dependent, you can submit a Federal Write-in Absentee Ballot (FWAB) to your local election official by the Ballot Return deadline to vote for Federal offices without registering or requesting an absentee ballot.

Registering and Requesting Your Absentee Ballot

Strike and replace with the following

“Registration is not required if you are an active duty Uniformed Service member, or their spouse or dependent, if you are voting in elections for Federal offices only. However, it is recommended you still complete the Federal Post Card Application (FPCA) to request an absentee ballot. In the event you cannot or choose not to submit an FPCA, you may submit the Federal Write-in Ballot (FWAB) to your local election official by the Ballot Return deadline.

The FPCA requests absentee ballots for both the primary and subsequent general election. FPCAs received in 2008 and 2009 are valid as requests for absentee ballots through the 2010 general election.

You may also submit the FPCA by the listed registration deadline to register permanently in Missouri and vote a full ballot. If you do not register permanently, you will not be qualified to vote in person at the polls.

If you are not an active duty Uniformed Service member, or the spouse or dependent of an active duty member, you must register to vote by the stated registration deadline to vote in federal or state elections.”
