ENCLOSURE 1

RESPONSIBILITIES

1. DEPUTY UNDER SECRETARY OF DEFENSE FOR INSTALLATIONS AND ENVIRONMENT (DUSD(I&E)). The DUSD(I&E), under the authority, direction, and control of the Under Secretary of Defense for Acquisition, Technology, and Logistics, shall provide oversight of the regional environmental coordinator program.

2. ASSISTANT DEPUTY UNDER SECRETARY OF DEFENSE FOR INSTALLATIONS AND ENVIRONMENT (ADUSD(I&E)). The ADUSD(I&E), under the authority, direction, and control of the DUSD(I&E), shall:

- a. Provide oversight of the DoD Components' implementation of this Instruction.
- b. Develop DoD policy and guidance on issues raised in the REC process.
- c. Resolve conflicts elevated by the DoD Components.

d. Appoint a single point of contact in DUSD(I&E) to coordinate the REC program with the DoD Components.

3. SECRETARIES OF THE MILITARY DEPARTMENTS. The Secretaries of the Military Departments, in addition to the responsibilities in section 4 of this enclosure, shall:

a. Serve as the DoD REC as follows:

- (1) The Secretary of the Army for Regions IV, V, VII, and VIII.
- (2) The Secretary of the Navy for Regions I, III, and IX.
- (3) The Secretary of the Air Force for Regions II, VI, and X.

b. Designate a single Military Department representative in each assigned region to coordinate the DoD REC program with OSD and the other DoD Components, as required.

c. Provide all necessary support in the assigned regions.

4. HEADS OF THE DoD COMPONENTS. The Heads of the DoD Components, as appropriate, shall:

- a. Designate a DoD Component REC in each region to coordinate environmental and environmentally related matters in support of mission sustainment with the DoD RECs.
- b. Provide all necessary oversight, program direction, and support for their Component's RECs.

5. DoD RECs

- a. The DoD RECs shall:

- (1) Coordinate with DoD Components and other DoD RECs, as appropriate, to accomplish their responsibilities.

- (2) Provide advice and assistance to DoD Components in their region through the DoD Component RECs regarding:

- (a) Federal, regional, State, and local actions affecting multi-Component military missions and operations conducted both on and off military property.

- (b) Proposed DoD programs and initiatives in relation to Federal, regional, and State environmental programs and provide feedback regarding policy gaps or issues.

- (3) Monitor Federal, regional, State, and local legislative and regulatory proposals and initiatives and determine the impacts, if any, on DoD missions and operations.

- (4) In coordination with appropriate DoD Component RECs, develop positions on regional, State and, as appropriate, local legislative and regulatory proposals and initiatives and ensure those positions are consistent with existing DoD policies, legal positions, and initiatives.

- (5) Engage appropriate regional, State, and local officials and staff to articulate a single coordinated DoD position on legislative, regulatory, and policy proposals by regional, State, or local agencies or other officials and discuss potentially acceptable solutions to issues consistent with DoD positions.

- (6) Articulate and advocate approved DoD programs, policy, and initiatives in the development of regional, State, and local legislation, regulation, policy, and other issues as authorized.

- (7) Ensure that all communication with other DoD Components is handled through the appropriate DoD Component RECs and that proper subject matter experts from DoD Components are engaged where necessary.

- (8) Conduct meetings and outreach activities with DoD Components, Federal, regional, State, and local officials, and other stakeholders, as necessary.

(9) Serve as a point of contact within their designated regions for non-DoD entities to reach the Department of Defense on significant regional environmental and environmentally related matters in support of mission sustainment.

(10) Provide executive-level summaries on regional activities, success stories, and issues related to their region, as appropriate.

(11) Implement the communication plan.

b. The DoD RECs shall not:

(1) Issue policy.

(2) Make unauthorized decisions or commitments for the Department of Defense or any DoD Components.

(3) Commit the resources of another DoD Component, without that Component's prior consent.

(4) Negotiate or sign agreements or issue positions on environmental and environmentally related matters in support of mission sustainment unless coordinated with all DoD Components.

6. DoD COMPONENT RECs. In addition to the responsibilities in section 5 of this enclosure, the DoD Component RECs shall:

a. Monitor and strive for the consistent interpretation and application of DoD policies within the region, and elevate issues of interest or those requiring DoD-wide attention to the DoD REC with a copy to the DoD Component single representatives.

b. Coordinate with the DoD REC of the DoD Component's activities with Federal, regional, State, and local agencies that may have a multi-Component impact.

c. Ensure that all communication with Federal, regional, State, and local agencies involving multi-Component activities is coordinated with the DoD REC.

ENCLOSURE 2

PROCEDURES

1. On matters covered by this Instruction, communications among ADUSD(I&E), the DoD Components, the DoD RECs, and the DoD Component RECs shall be in accordance with the chain of command. For issues requiring immediate attention from ADUSD(I&E), the DoD REC shall promptly notify the ADUSD(I&E) at the same time the DoD REC notifies the chain of command.

2. For matters requiring a DoD position:

a. The DoD REC shall:

(1) Coordinate the proposed DoD position with that region's DoD Component RECs as well as other DoD RECs whose regions might have an interest in the issue.

(2) Provide the proposed DoD position to the appropriate DoD Components along with all coordination comments.

(3) Coordinate, as appropriate, with established service steering committees, work groups, and subject matter experts to develop proposed DoD positions regarding environmental and environmentally related matters in support of mission sustainment.

(4) Provide the consolidated views from the coordination to the ADUSD(I&E).

b. ADUSD(I&E) shall:

(1) Provide a DoD position.

(2) Communicate that position to all appropriate DoD Components and to the DoD RECs.

3. For planning and reporting purposes, the DoD REC shall:

a. Develop and implement an annual action plan based on DoD priorities and regional actions and initiatives. The plan shall be calendar-year based and shall be briefed to the DoD Components and ADUSD(I&E) at the annual DoD REC meeting.

b. Implement a communication plan for DoD REC.
