

ENGINEERING GUIDANCE 98-09

SUBJECT: Standard Handout for Construction Management Plans

PURPOSE: Provide guidance for Construction Management Plans.

CANCELLATION: This Engineering Guidance replaces Safety & Standards Guidance No. 28, dated February 1, 1991.

DISCUSSION: A standard outline for Construction Management Plans is needed.

GUIDANCE: A regional standard handout for Construction Management Plans is attached. The plan is required for any grant which contains paving work estimated to exceed \$250,000. Please provide any recommended changes or comments to Safety and Standards Branch, Jack Scott, at (425) 227-2622.

REFERENCES: None.
