Notes and News Special Edition

This publication will be used periodically to provide reminders or further information about Ginnie Mae programs, as well as notification of upcoming training events or conference calls of interest to our Issuers. Please note, APMs (All Participants Memoranda) will continue to be the formal communication device used to announce and implement official policy changes to Ginnie Mae's Mortgage-Backed Securities (MBS) programs. If you have any comments or suggestions on how to make this publication more informative and helpful, please contact your Account Executive directly.

Special Issuer Outreach Call: Ginnie Mae will hold an Issuer Outreach Call on new data requirements to enhance data disclosure. The updated requirements will also address FHA's upcoming MIP changes. We will discuss changes to the Schedule of Pooled Mortgages (11706) as well as changes to the monthly reporting file layout. Ginnie Mae is seeking Issuer feedback on the proposed changes. Anyone involved in pool processing and investor reporting should participate, although all are welcome. Call information and agenda details will be distributed via e-Notification and placed on the website. If you have any questions, please contact your Ginnie Mae Account Executive.
