2010 Annual FAIR Act Inventory Summary**

As required by Office of Management and Budget (OMB) instructions implementing the FAIR Act, CPSC is publishing a summary of the inventories of its commercial and inherently governmental activities in the OMB specified format. As summarized below, CPSC is designating 13 FTEs as engaged in commercial activities. The majority of our employees are engaged in the inherently governmental public safety function of investigating product hazards and developing hazard reduction solutions.

We have previously contracted out staff positions that perform mail and driver services, laborer services, reproduction and library services, certain data collection and analysis functions, consumer hotline operation, and computer help desk and programming activities. In addition, on an as needed basis, we contract from commercial sources for specialized product testing, technical evaluations, and litigation services. These existing contractual services are equivalent to over 50 employees.

Our contact person is Edward E. Quist, Director, Office of Financial Management, Planning and Evaluation, telephone 301-504-7655 or email him at equist@cpsc.gov. The full inventory may be found at: <http://www.cpsc.gov/CPSCPUB/PUBS/REPORTS/fair2010.pdf>.
