

Export-Import Bank of the United States

The official export credit agency of the United States

We Can Increase Your Export Sales:

Want to enter a new foreign market or expand your sales in an existing one? Need help with buyer financing or accessing additional credit? We can help! The Export-Import Bank of the U.S. (Ex-Im Bank) is the federal government's official export credit agency, and helping American exporters succeed is our mission.

At Ex-Im Bank, we know that competing in foreign markets can be tricky. That's why our products are designed to take the worry out of exporting and give you the competitive edge. Through insurance and loan guarantees, we'll assume the commercial and political risks the private sector won't or can't. Discover how Ex-Im Bank products can grow your business and bottom line.

We provide U.S. companies with **Export Credit Insurance** that extends credit and protects against buyer nonpayment.

BENEFITS:

- Minimizes political and commercial risks of buyer nonpayment
- Lets you extend attractive credit terms to foreign buyers
- Increases your company's borrowing capacity and improves cash flow

We offer **Term Financing** for international buyers of U.S. capital goods or services.

BENEFITS:

- Eliminates your risk of buyer nonpayment
- Extends repayment terms to customers at competitive rates
- Increases your international competitiveness by offering financing support to your buyers

We offer **Working Capital Guarantees** enabling small and medium-sized U.S. exporters to obtain credit lines for the production of goods or services.

BENEFITS:

- Makes funds available to fulfill your sales orders
- Turns your inventory and accounts receivable into eligible collateral for your lender
- Offers expedited application turnaround

Put the full faith and credit of the U.S. government to work for your company, and expand your international business today!
