SUPPLEMENTARY INFORMATION:

I. Background

The Corporation connects Americans of all ages and backgrounds with opportunities to give back to their communities and country through three programs: AmeriCorps, Learn and Serve America, and Senior Corps. The Corporation provides grants to support people and organizations that use service as a strategy for addressing national and community needs. As part of its review process the Corporation uses peer reviewers to determine the quality of the applications we receive.

II. Current Action

The information collected will be used by the Corporation to select peer

reviewers for each grant competition. All individuals interested in applying as peer reviewers or facilitators of the peer review panels will be required to complete an electronic application.

Modifications include combining the Zoomerang survey and the electronic application into one web-based process. This was a two-step process. Applicants would fill out a brief survey and once selected would complete the full eGrants application. The eGrants screens are changing from Oracle-based to web-based.

The Corporation seeks to continue using this particular form, albeit in a revised version. The current form is due to expire August 30, 2004.
