<sup>1</sup> Open market sales include all coal sold on the open market to other coal companies or consumers.

<sup>2</sup> Captive sales transactions include all coal used by the producing company or sold to affiliated or parent companies.

<sup>3</sup> Excludes mines producing less than 10,000 short tons, which are not required to provide data, and refuse recovery.

- = No data are reported.

W = Data withheld to avoid disclosure.

Note: • Totals may not equal sum of components because of independent rounding.
