4. Definitions. See enclosure (1).

5. Policy.

a. It is DOD policy to safeguard and promote the welfare of DOD personnel as consumers by establishing a uniform approach to the conduct of all personal commercial solicitation and sales to them by dealers and their agents. For those individuals and their companies that fail to follow this policy, the opportunity to solicit on military installations may be limited or denied as appropriate.

11 May 09

b. Only USPACOM accredited and authorized agents representing registered and approved DOD insurers and authorized security sales agents registered with applicable security associations are identified to have commercial solicitation privileges on overseas DOD installations within the USPACOM AOR.

e. Installation Commanders:

(1) Establish installation policies and procedures to administer and control life insurance sales and sales of securities in accordance with installation access policies.

(2) Set written installation procedures for solicitation of life insurance and sale of securities, per this instruction and reference (a).

(3) Designate an Installation Solicitation Officer (ISO).

(4) Investigate and resolve complaints of unauthorized solicitation. Immediately inform the Military Department concerned of any denial, suspension, withdrawal or reinstatement of an agent or company's solicitation privileges in accordance with reference (a). f. Installation Solicitation Officers (ISOs):

(1) Provide installation application procedures, this instruction, and reference (a) to potential solicitors and DOD members.

(2) Confirm agents are on the current USPACOM Accreditation List and only authorize solicitation privileges, at command level, to agents that are listed.

(3) Ensure agents follow requirements in reference (a) to provide Personal Commercial Solicitation Evaluation forms (DD2885, 04/06) to solicited personnel during the initial appointment, and provide written reminder regarding availability of free legal advice prior to accepting a financial commitment from solicited personnel.

g. Companies:

11 May 09

(1) Are responsible for their agents' conduct and compliance with procedures established in installation policy and procedures, this instruction, and reference (a).

(2) Provide HQ USPACOM/J131, Overseas Insurance Accreditation Program Manager, Box 64017, Camp H.M. List will be provided no later than 1 October.

(3) Provide HQ USPACOM J131 a letter of release within two weeks of an agent terminating employment. The agent accreditation ends upon termination with a company. The letter of release will indicate whether the agent was released "with" or "without" prejudice.

(4) Provide proper documentation listed in enclosure (2) to HQ USPACOM J131 for an agent's accreditation.

h. Agents must possess a current state license or obtain a waiver from HQ USPACOM and must comply with installation policies and procedures, this instruction, and reference (a). Agents may represent multiple companies if multiple representation is in the best interest of DOD personnel and all companies agree (in writing). Agents must request a waiver from HQ USPACOM, J131/Overseas Insurance Accreditation Program Manager, Box 64017, Camp H.M. Smith, HI 96861-4017. The waiver must fully justify how multiple representations are in the best interests of DOD personnel.

i. DOD personnel may conduct business on a DOD installation only with HQ USPACOM accredited and authorized agents.

7. Procedures.

a. Agents are required to register for accreditation approval from HQ USPACOM, J131/Overseas Insurance Accreditation Program Manager, in order to solicit life insurance on DOD installations in a country within USPACOM AOR. Enclosure (2) of this instruction outlines the application procedures.

b. Sale of Securities. According to reference (a), all securities representatives must apply for permission to solicit to the commander of the installation on which they desire to solicit the sale of securities. All sales of securities must

11 May 09

comply and be registered with the Securities and Exchange Commission.

8. Grounds for Denial, Suspension or Withdrawal of Privileges. Installation commanders may deny permission for an agent to sell on their installation under grounds outlined in paragraph 6.5 of reference (a). Installation commanders must notify the Military Department concerned, Senior Area Commander and HQ USPACOM J1 when taking such action. Only HQ USPACOM J1 may deny, suspend, or withdraw an agent's accreditation for the USPACOM AOR.

9. Prohibited Agent and Company Activities. HQ USPACOM prohibits practices outlined in paragraph 6.4 of reference (a).

10. Complaints.

a. DOD personnel, companies, and agents may submit complaints to installation commanders or ISOs.

b. Installation commanders will notify the agent of each complaint and seek immediate resolution. Installation commanders send all complaints, by registered mail, to the agent's company for action. Companies have 15 working days to take action to resolve the complaint. An agent sends their rebuttal to their company and the installation commander involved.

c. Installation commanders investigate complaints according to this instruction and reference (a). They are directed to submit results to the appropriate Senior Area Commander. Results explain corrective action and include recommendations to prevent recurring problems.

d. Senior Area Commanders review complaints if they cannot be resolved at the installation commander level, or if an agent or company desires to appeal an installation commander's decision. Agents or companies must submit rebuttals within 30 calendar days.

e. Senior Area Commanders review unresolved investigations and appeals. They are directed to submit results to HQ USPACOM J1, Box 64017, Camp H. M. Smith, HI 96861-4017. Results explain corrective action and include recommendations to prevent recurring problems.

f. HQ USPACOM J1 reviews complaints if they cannot be resolved at the Senior Area Commander level, or if an agent or

11 May 09

company desires to appeal a Senior Area Commander's decision. Agents or companies must submit rebuttals within 30 days. HQ USPACOM J1 forwards results to the agent, company, senior area commander, and installation commander involved.

g. When unauthorized actions occur by insurance agents or securities representatives:

(1) Installation commanders may suspend an agent's on-post privileges during an investigation.

(2) Installation commanders promptly inform the agent and company, Military Department, Senior Area Commander and HQ USPACOM J1 of any suspension. Suspensions will be for a specific time, normally not more than one year. Installation commanders must justify suspensions lasting more than one year.

(3) HQ USPACOM J1 may deny, suspend, or revoke accreditation for solicitation in the USPACOM AOR based on the circumstances of the particular case. HQ USPACOM J1 considers the nature and frequency of practices identified in paragraphs 8 and 9 above.

(4) Agents and companies suspended by USPACOM J1 cannot sell on DOD installations in USPACOM. When suspension period expires, an agent or company may reapply for accreditation and authorization to solicit.

11. Forms.

a. USPACOM Form 102 (04/09) is required when processing an agent's request for accreditation. Use and reproduction of enclosure (3) is authorized.
