

STUDENTS OPPORTUNITIES

Student Temporary Employment Program (STEP)

STEP provides paid work experience for high school, undergraduate, or graduate students. STEP allows students to work year-round while they are in school in part-time or full-time positions. To be eligible, students must be enrolled in an accredited educational institution at least half-time. Most STEP students at USITC work during the summer months.

Student Temporary Employment Program (STEP) (Summer Jobs)

General

- Provides learning experience for high school, undergraduate, and graduate students
- Gain exposure to fields such as physical science, mathematics, engineering, computer science, and administration
