EXECUTIVE OFFICE OF THE PRESIDENT
THE UNITED STATES TRADE REPRESENTATIVE
WASHINGTON, D.C. 20508

DEC 12 2011

The Honorable Deanna Tanner Okun
Chairman
U.S. International Trade Commission
500 E Street, SW
Washington, DC 20436

Dear Chairman Okun:

The U.S. International Trade Commission (USITC) plays a critical role in facilitating U.S. trade by reviewing and recommending to the President modifications to the Harmonized Tariff Schedule of the United States (HTS) that are necessary or appropriate to conform the HTS to the International Convention on the Harmonized Commodity and Coding System (the Convention). We greatly appreciate the significant, ongoing effort the USITC invests in this massive project.

To carry out U.S. obligations under the Convention and to include other adjustments to the HTS resulting from implementing the Convention, President Obama will be proclaiming changes to the HTS. These modifications will be based on the USITC's recommendations in its final report in investigation No. 1205-7, "Proposed Modifications to the Harmonized Tariff Schedule of the United States," provided to me under 19 U.S.C. 3005, and consequential modifications necessary to maintain current tariff treatment of goods under certain free trade agreements.

My staff has been working with the USITC staff on annexes to a proposed Presidential proclamation that would implement U.S. obligations under the Convention and make other changes to the HTS resulting from implementing the Convention. I have enclosed with this letter the complete text of those changes.

I request the USITC to publish as a formal USITC document those changes to the HTS that the President proclaims to implement the Convention, including consequential changes necessary to maintain current tariff treatment of goods, and to provide copies to USTR staff, as quickly as possible. I understand that after the proclamation is signed, the USITC will make the document available to the public and will also post a copy on the USITC's website. In addition, I understand that copies of the document will be provided to the Federal Depository Libraries.

I appreciate the USITC's willingness to assist the Administration in employing the most efficient and cost effective means of informing the public of the changes to be made in the HTS as we implement the Convention.

Sincerely,

Ambassador Ron Kirk

CHAIRMAN
