**SUPPLEMENTARY INFORMATION:** This investigation was instituted on July 19, 2011, based upon a complaint filed on behalf of Trek 2000 International Ltd. of Loyang Industrial Estate, Singapore; Trek Technology (Singapore) Pte. The complaint alleged violations of Section 337 of the Tariff Act of 1930 (19 U.S.C. § 1337) in the sale for importation, the importation, or the sale after importation of certain universal serial bus portable storage devices by reason of infringement of certain claims of United States Patent Nos. 6,880,054; 7,039,759; D463,426; and 7,549,161. The complainant named as respondents Imation Corporation of Oakdale, Minnesota; IronKey, Inc. of Sunnyvale, California; Kingston Technology Company, Inc. of Fountain Valley, California; Patriot Memory, LLC of

Fremont, California; RITEK Corporation of Hsinchu, Taiwan; Advanced Media, Inc./RITEK USA of Diamond Bar, California; Verbatim Corporation, Inc. of Charlotte, North Carolina; and Verbatim Americas, LLC of Charlotte, North Carolina.

On October 6, 2011, complainants Trek Technology and S-Com and the Verbatim Respondents jointly moved to terminate the investigation as to the Verbatim Respondents based on a settlement agreement. On October 17, 2011, the Commission investigative attorney (“IA”) filed a response in support of the motion. The IA stated that she is not aware of any reason why termination of the investigation as to the Verbatim Respondents would be contrary to the public interest. On October 18, 2011, the administrative law judge issued Order No. 10, granting the motion. No petitions for review were filed.

The Commission has determined not to review the subject ID.

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and of section 210.42(h) of the Commission’s Rules of Practice and Procedure (19 C.F.R. § 210.42(h)).

By order of the Commission.
