

# ACKNOWLEDGEMENTS

## Scientific Expertise and Leadership: Division of Diabetes, Endocrinology, and Metabolic Diseases, NIDDK

### **Judith E. Fradkin, M.D.**

Director

### **Beena Akolkar, Ph.D.**

Immunopathogenesis and Genetics of Type 1 Diabetes Program Director

### **Guillermo Arreaza-Rubín, M.D.**

Director, Clinical Immunology, Type 1 Diabetes Program

### **Olivier Blondel, Ph.D.**

Director, Endocrine Systems Biology Program

### **Sanford A. Garfield, Ph.D.**

Senior Advisor for Biometry and Behavioral Research Program

### **Carol R. Haft, Ph.D.**

Senior Advisor for Cell Biology

### **Christine Hunter, Ph.D.**

Director, Behavioral Research

### **James Hyde, Ph.D.**

Senior Advisor for Research Training and Career Development

### **Teresa Z. Jones, M.D.**

Diabetes Complications Program Director

### **Maren Laughlin, Ph.D.**

Metabolism and Structural Biology Program Director

### **Barbara L. Linder, M.D., Ph.D.**

Senior Advisor for Childhood Diabetes Research

### **Catherine McKeon, Ph.D.**

Senior Advisor for Genetic Research

### **Sheryl M. Sato, Ph.D.**

Director, Neurobiology of Obesity and Developmental Biology

**Peter J. Savage, M.D.**

Senior Advisor, Clinical Diabetes Research

**Salvatore Sechi, Ph.D.**

Proteomic Program Director

**Philip Smith, Ph.D.**

Deputy Director; Co-Director, Office of Obesity Research

**Lisa Spain, Ph.D.**

Director, Immunobiology of Type 1 Diabetes Program and Autoimmune Endocrine Diseases Program

**Production Management and Integration: Office of Scientific Program and Policy Analysis, NIDDK**

**Richard A. Farishian, Ph.D.**

Director

**Lisa J. Gansheroff, Ph.D.**

Deputy Director

**Michael J. Grey, Ph.D.**

Health Science Policy Analyst

**Eleanor F. Hoff, Ph.D.**

Health Science Policy Analyst

**Mary C. Hanlon, Ph.D.**

Health Science Policy Analyst

**B. Tibor Roberts, Ph.D.**

Health Science Policy Analyst

**Julie A. Wallace, Ph.D.**

Health Science Policy Analyst

*The DMICC would also like to acknowledge and extend its appreciation for the comments provided by members of the diabetes research and care community and the general public during the public comment period on the draft version of this Strategic Plan.*
