<i>The 10 Commandments of Communicating with People with Disabilities</i>	Literally tens of thousands of people have learned and laughed with <i>The Ten Commandments of Communicating with People with Disabilities</i> . It uses humorous vignettes to deliver its disability awareness message. With over 53 million Americans having a disability, large corporations as well as small companies use this outstanding video to train employees, improve customer service, and avoid losing talented employees due to ignorance or awkwardness. Human service agencies get "double duty" from this program when they utilize it to train their own staff and the community about disability etiquette.
