

Module 4

Identifying Common Ground

OVC Can Help You Put the Pieces Together

OVCTTAC

Learning Objectives

- ❖ **Identify professional roles in the crime victim and disability service professions.**
- ❖ **Discuss the principles and values shared by crime victim service providers and disability service providers and advocates.**
- ❖ **Identify other organizations that work with crime victim service providers and disability service providers and advocates.**

Who's Involved

- ❖ **What are some professional roles that offer support for crime victims?**
- ❖ **What roles would support:**
 - **A child?**
 - **An immigrant?**
 - **Someone who doesn't speak English?**
 - **A person with a disability?**
 - **Someone with cultural and religious issues you aren't familiar with?**

Missions and Values

- ❖ **There are many different types of organizations within the disciplines of “victim services” and “disability services.”**
- ❖ **Each discipline has its own mission and values.**
- ❖ **Each organization within those disciplines has its own mission and values as well.**
- ❖ **However, there are many values in common.**

Activity

What Would You Like To Know?

- ❖ **Crime victim service providers**
- ❖ **Disability service providers and advocates**
- ❖ **Allied professionals**

Video

Disability, Violence and Survival: A Personal Story

Refer to the Video Information Sheet to order this video.

Questions About...

- ❖ **Crime victim service providers**
- ❖ **Disability service providers**
- ❖ **Allied professionals**

Understanding One Another

- ❖ **Identify what we have in common.**
- ❖ **Ensure that we are all on the same page.**
- ❖ **It's not always easy; sometimes professionals within the same discipline have a different focus.**

Disability Organizations

THE NATIONAL
ORGANIZATION
ON DISABILITY

It's ability, not disability, that counts.

National Association of the Deaf

The
Arc

NATIONAL
DISABILITY RIGHTS
NETWORK
Protection & Advocacy for Individuals with Disabilities

Other Organizations

- ❖ **What are the other organizations you work with?**
- ❖ **What do they have in common with your own? How are they different?**
- ❖ **What are their values?**
- ❖ **How are their values similar to those of your own organization?**

Review of Learning Objectives

- ❖ **Identify professional roles in the crime victim and disability service professions.**
- ❖ **Discuss the principles and values shared by crime victim service providers and disability service providers and advocates.**
- ❖ **Identify other organizations that work with crime victim service providers and disability service providers and advocates.**

End of Module 4

- ❖ **Questions?**
- ❖ **Comments?**
