

STATEMENT OF VICE CHAIRMAN JENNIFER A. HILLMAN
Certain Ductile Iron Waterworks Fittings from China
Inv. TA-421-4

In this investigation I recommend that the President impose a *quota* on imports of certain ductile iron waterworks fittings from China for a 3-year period, at the following levels:

- 14,324 short tons in the first year of relief;
- 15,398 short tons in the second year of relief; and
- 16,553 short tons in the third year of relief.
